We are able to provide hundreds of services to families every year because of your incredible love and compassion for hurting families. Hebrews' 13: 3 says, "Remember those in prison as though you were in prison with them." You, through your faithful consistent donations, have done just that. This year because of the increasing financial needs we are experiencing, we desperately need your support. Any gift no matter how large or small will be greatly appreciated. From the staff and Board of Matthew House we sincerely hope and pray that you and your families will be blessed this holiday season! We deeply appreciate all your love and faithful support. With love and appreciation,
Linda M. Paz, Executive Director
